- **Generally, scientific calculators and graphing calculators up to the TI-86 model are allowed but are ultimately left to the discretion of the individual instructor.**
- **MAT207 requires the TI-83/84 graphing calculator.**
- **Under no circumstances are students allowed to use calculators on their cell phones for tests or graded assignments.**

Any student who has a question regarding calculator usage is welcome to contact the Mathematics Department via dwatson@mc.edu or call 601-925-3217.
